➡After reviewing RFI 048 response, PL2 & PL3 plum colors were crossed off of the cabinet exterior selections. Both of those colors are used @ wall-mounted shelves @ Supply & Storage closets. In addition, the PL4 plum color is used as a C-top @ the restrooms according to the architect's drawings, so I'm not sure why that was crossed off either.

Please verify.

**ARCHITECT'S/ENGINEER'S RESPONSE :**

(This information is provided as an interpretation of the Contract Documents for implementation)

**Miscommunication: we classified shelves as countertops not cabinet exteriors. PL-4 is in the Restrooms, correct.**

PL-4 in restrooms is correct.
